TTK SHEQ SOLUTIONS is a premier occupational health, safety, and environmental consulting company based in Alberton South Africa. With a strong foundation in the construction, Civils and engineering industries, our company offers a comprehensive range of services aimed at ensuring a safe and sustainable work environment for our clients. Led by Mr. Mojalefa Levi Thuntsa, an experienced HSE professional, we bring a wealth of knowledge, expertise, and dedication to every project we undertake.

Founder

Mr. Mojalefa Levi Thuntsa is a highly skilled and respected OHSE professional with over 15 years of experience in the field. He possesses extensive expertise in the construction, Civils, and engineering industries, having worked on numerous high-profile projects. His commitment to promoting safety and environmental sustainability has earned him a stellar reputation among industry peers. He is currently a NEBOSH Can - International Diploma in Occupational Health and Safety, and Certified Occupational Health and Safety Practitioner, Risk Assessor, Hazardous Substance Inspector, Lifting Equipment Inspector, First Aider Level 2, Incident Investigator, Fire Fighter, Fall Arrest Rescue Technic and a Fall Protection Developer. And he is registered with regulatory OHS bodies as SAIOSH Technical Member and SACPCMP CHSO. Some notable projects he has been involved in include: Noordwyk complex, Bakenview Hospital, Safeway's Mall, Zeerust Wastewater Treatment Plant, William Nicole K46, DBSA and Polokwane High Court. He played a pivotal role in overseeing the implementation of comprehensive safety measures during the construction of the above-mentioned projects and many more. His expertise ensured that all workers and stakeholders were protected from potential hazards throughout the project's duration. As an HSE professional Mr. Thuntsa actively contributed to the safety protocols and risk management strategies.

Mission

Our mission at TTK SHEQ Solution is to ensure the well-being of individuals and the protection of the environment by providing exceptional occupational health, safety, and environmental consulting services.
